

Interested in filling a current RRHRPA BOD vacancy or maybe any position in the future? Contact any current BOD member for more information.

We offer a mentoring program to teach you the responsibilities of the position and more about the RRHRPA board before you take on the job. And, BOD members now receive FREE RRHRPA membership fees each year they hold a position!!

Being on the BOD is very fulfilling and gives you the opportunity to be a part of something bigger (and awards you recertification points, as well).
