Employer Strategies to Stifle Healthcare Inflation

Zoom Webinar

Tuesday, April 25 | 8:30 - 10:00 AM CT

It's no surprise to anyone that the American healthcare system is costly, complex, and inefficient. Pressure is mounting across multiple fronts that will lead to benefit cost challenges not felt in years. This webinar will provide context behind the "why" and offer insights into market trends and strategies to beat back inflationary pressures.

Join Holmes Murphy for a forward-thinking webinar that will address cost containment strategies in employee benefits, trends in clinical solutions, and top takeaways for recruitment and employee engagement.
