

AUTO TECH PROGRAM

7 Week Entry-Level Automotive Technician Program through SVCC and Whiteside Area Career Center

Gain an entry level understanding in suspension and steering, brakes, exhaust systems, and routine maintenance and servicing of vehicle systems. Minimal automotive knowledge or experience is needed to be successful in this program. Dedicated students will receive a tool kit and tool box before they start their externship (worth up to \$500).

Cost: \$850. Space is limited to 10 students. Students must be at least 18 years old and have a valid driver's license.
